

## **13.**

**Bloom like a fractal  
Expand like the universe  
Glow like explosive starlight  
And enchant like the night sky**

**Shine like a sudden supernova  
Create like an imploding sun  
Dance like a shooting star  
And enchant like the night sky**

**Signal like an urgent pulsar  
Smash like an inbound asteroid  
Circle like a lone moon  
And enchant like the night sky**
